Notice dated 14th May 1948.

To

All Drawers of Bills in the State.

Subject:—The presentation of contingent and supplies and services bills for preaudit before the end of the Official year 1947-48.

No. 328—P. S. To avoid rush of bills in the last few days of the Official year 1947-48, all the Drawing Officers are hereby requested to send the bills to this office for preaudit, as early as possible, soon after each bill gets ready. Keeping them till the end of the month and sending them during the last few days of June 1948, will cause great inconvenience on account of sudden pressure of work in the Audit Office. Much avoidable pressure will also be thrown on the Pay Section adding to the heaviness and congestion in that section.

Bills for contingencies, supplies and services received in this office after the 25th June 1948, cannot ordinarily be expected to be returned audited before 30th June 1948.
